NOTES

- * A graduate seminar is any ANTH class numbered between 500 and 589, 595, or 600-694.
- *** Your committee must consist of three University of Montana faculty. Your committee chair must be in the Anthropology Department. One of your three members must be from a department other than Anthropology. Give your selections to the Anthropology Administrative Assistant, who will forward them to the Grad School.
- **** This procedure requires submission of a form to the Graduate School. This procedure will have a deadline each semester. Please check the current course schedule or contact the Graduate School to find out about these

deadlines.

- @ Remedial classes: one class in each of the four subfields (archaeology, linguistics, physical, socio-cultural) and a class in statistics are required prior to graduation if not taken during your undergraduate career. Elective classes are any class you wish to take that is marked UG in the catalog. Avoid taking more than 6 credits in UG classes numbered less than 400
- \$ This form requires a fee to be paid to the Graduate School. Be sure to save your receipt.
